Year 12 to Tertiary

Guidelines for Applicants

Yara Pilbara

Academic Excellence Scholarship Application Guidelines

Thank you for applying for the Yara Pilbara Academic Excellence Scholarship.

The following guidelines have been prepared to provide prospective candidates with a description of the activities, expectations and key information to assist with the preparation of an application.

1. Eligibility

This scholarship is open for submissions from students who have, or are completing their final year of secondary studies in the same year as the scholarship application. Applicants shall be either:

- applying to undertake an approved career pathway or
- has been accepted to complete an approved career pathway at an Australian tertiary educational institution in the subsequent year.

Only applicants with an Australian Permanent Residency or Australian Citizenship will be accepted in applying for the scholarship.

Yara will be accepting submissions for students that are undertaking the following career pathways:

- Undergraduate – Any Bachelor's Degree with a Major in Engineering Science
- Undergraduate – Any Bachelor's Degree with a Major in Environmental Science
- Undergraduate – Any Bachelor's Degree with a Major in Agricultural Science
- Undergraduate – Bachelor's Degree in Commerce / Business

2. The Scholarship

A grant of \$5,000 per year (up to a total of \$20,000 over the duration of the tertiary course) will be made available to the selected Year 12 applicant to assist them towards the cost of tertiary education. This will be in the form of a payment of up to \$2,500 to the student at the conclusion of each semester.

3. Conditions of the Scholarship

Payment is conditional on producing evidence of satisfactory progress in each semester.

Deferments of up to one year will not affect this scholarship.

4. Selection Process

The successful applicant will be chosen to receive the scholarship based on the quality and the detail of the portfolio provided and their suitability to participate in Yara Pilbara's Vocational and Graduate Engineer programs. Yara Pilbara will conduct the selection process of applicants being forwarded from each school. Your application will be treated in confidence.

5. Application Process

The application process is competitive. The Yara Pilbara Academic Excellence Scholarship recipients are selected through an assessment process based upon:

- Written Application
- Referee Reports
- Interview (if requested)
