Dear Parent/Caregiver

### Selecting the right pathway for your child in 2022

Your child will be given the opportunity to select their elective subjects for 2022 at Karratha Senior High School.

Karratha SHS offers a pathway for every child and we invite you to work with the school to select the most suitable electives that will allow your child to make choices which best reflects their goals and aspirations. It is important that you and your child is well informed about the choices available.

The 2022 Yr. 8 Curriculum Handbook has been attached to this Connect Notice. It is also available on our website. Students and parents/carers need to read this document prior to making their selections.

Students are then required to complete their preferences via our online Subject Selections portal at <https://client.subjectselectiononline.com.au/?school=4422t>. Students must follow the instructions throughout the site and identify their chosen electives to allow for choices to be made from the available subjects. Please be aware that the choice of some electives requires the payment of a \$100 deposit, this can now be made online.

To login for the first time, use the **forgotten password link** on the login screen, enter the email address supplied to the school upon enrolment of your child (parent email) and you will receive an email stating your login code (Student Number) and a prompt to set your password. If you are unsure of the email address linked to your child at Karratha SHS, please contact our office during business hours.

This process needs to be completed by 3:00pm Monday 30 August 2021.

If you have any questions about the 2022 Course Selection process, please contact the school on 9182 6900.

Yours sincerely

Ryan Ansell  
Year 7/8 Deputy

17 August 2021
