Standalone bushfire plan 2023-2024

Karratha Senior High School

Purpose

The *Standalone bushfire plan* document is a detailed plan of how your school is to prepare and respond to a catastrophic fire danger rating alert or to a bushfire event.

As principal, you must complete this template to have a plan in place to respond to a bushfire emergency. This plan is to be read in conjunction with information on Ikon to [prepare for bushfire season at your school](#).

All staff, students, contractors and visitors on the school or facility site are to follow this completed plan in the event of a bushfire emergency. All other emergencies are to be managed in accordance with the school's incident management plan, as per the [Incident management manual](#).

Complete and lodge your plan online by 31 August.

3 School Response Team

Enter the names and mobile numbers of the staff responsible for carrying out emergency procedures during a bushfire event. The principal coordinates the incident response to onsite or offsite locations (refer to Appendix B & C procedures).

Examples of suggested duties include:

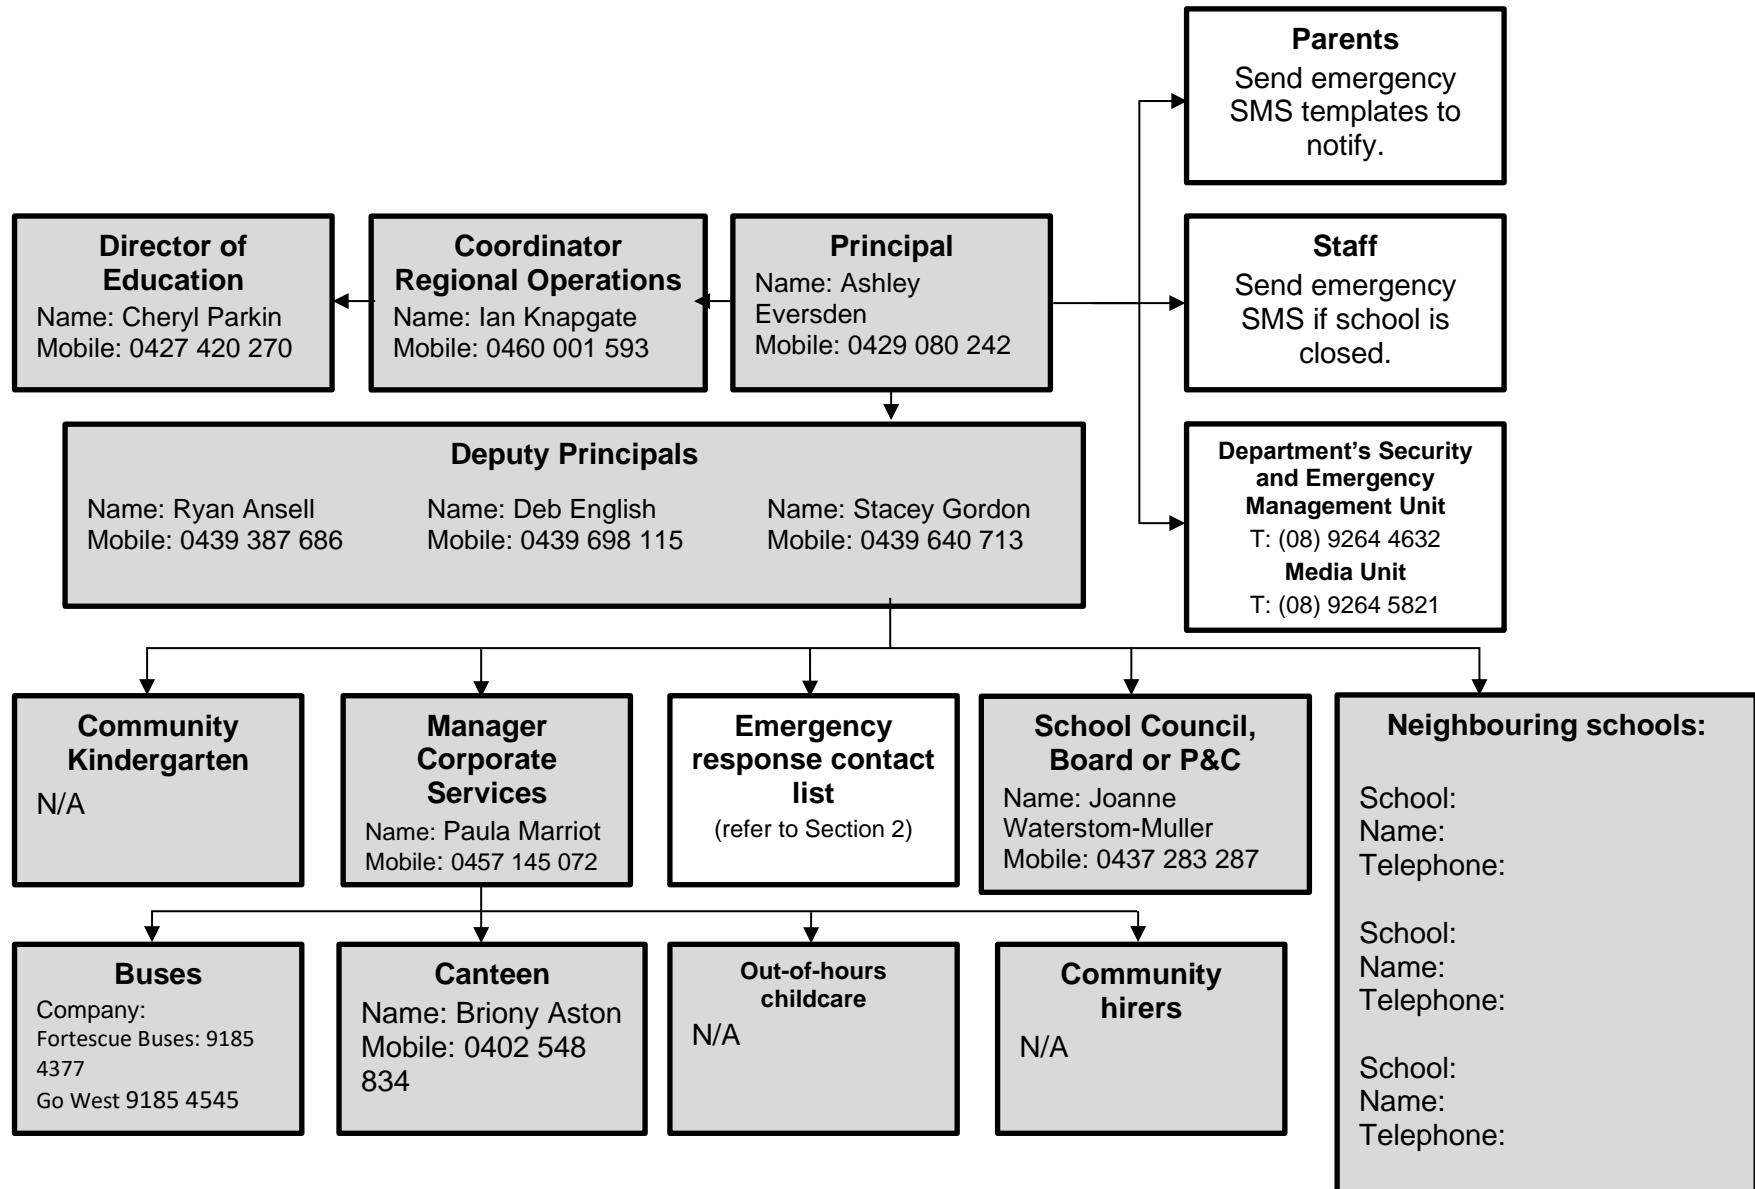

- fire warden duties
- checking all rooms
- keeping a copy of school registers for roll call
- monitoring the bushfires warnings stages (as per Appendix A)
- send out text alerts to parents
- liaising with emergency services, community members, parents and carers.

Consider making cards that outline the duties of the school response team. This can be useful to hand out at the start of the incident.

7 Bushfire action plan maps

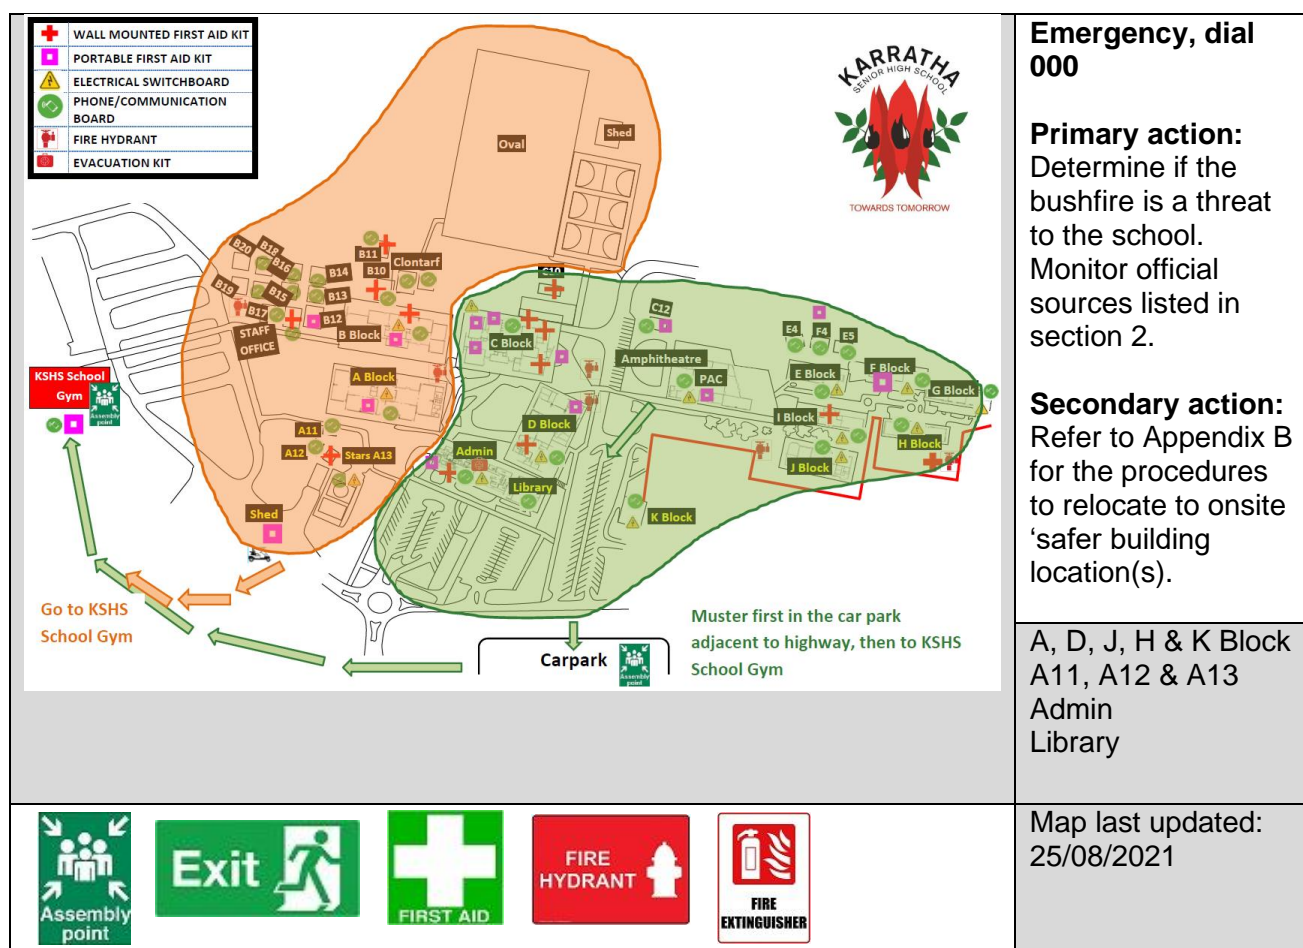

7.1 Onsite 'safer building location(s)'

Do not use an open area such as a school oval or non-enclosed building that may expose people to heat or other conditions.

Insert your school map and make sure it is marked with:

- the onsite 'safer building location(s)'. Include the name of the building, such as 'library'
- routes to access the location
- fire hydrants
- electrical switchboards
- phones and communication board
- first aid kits
- evacuation kits
- any other relevant details.

Information to help select your offsite evacuation location and a sample map is available on Ikon in [Prepare for bushfire season at your school](#).

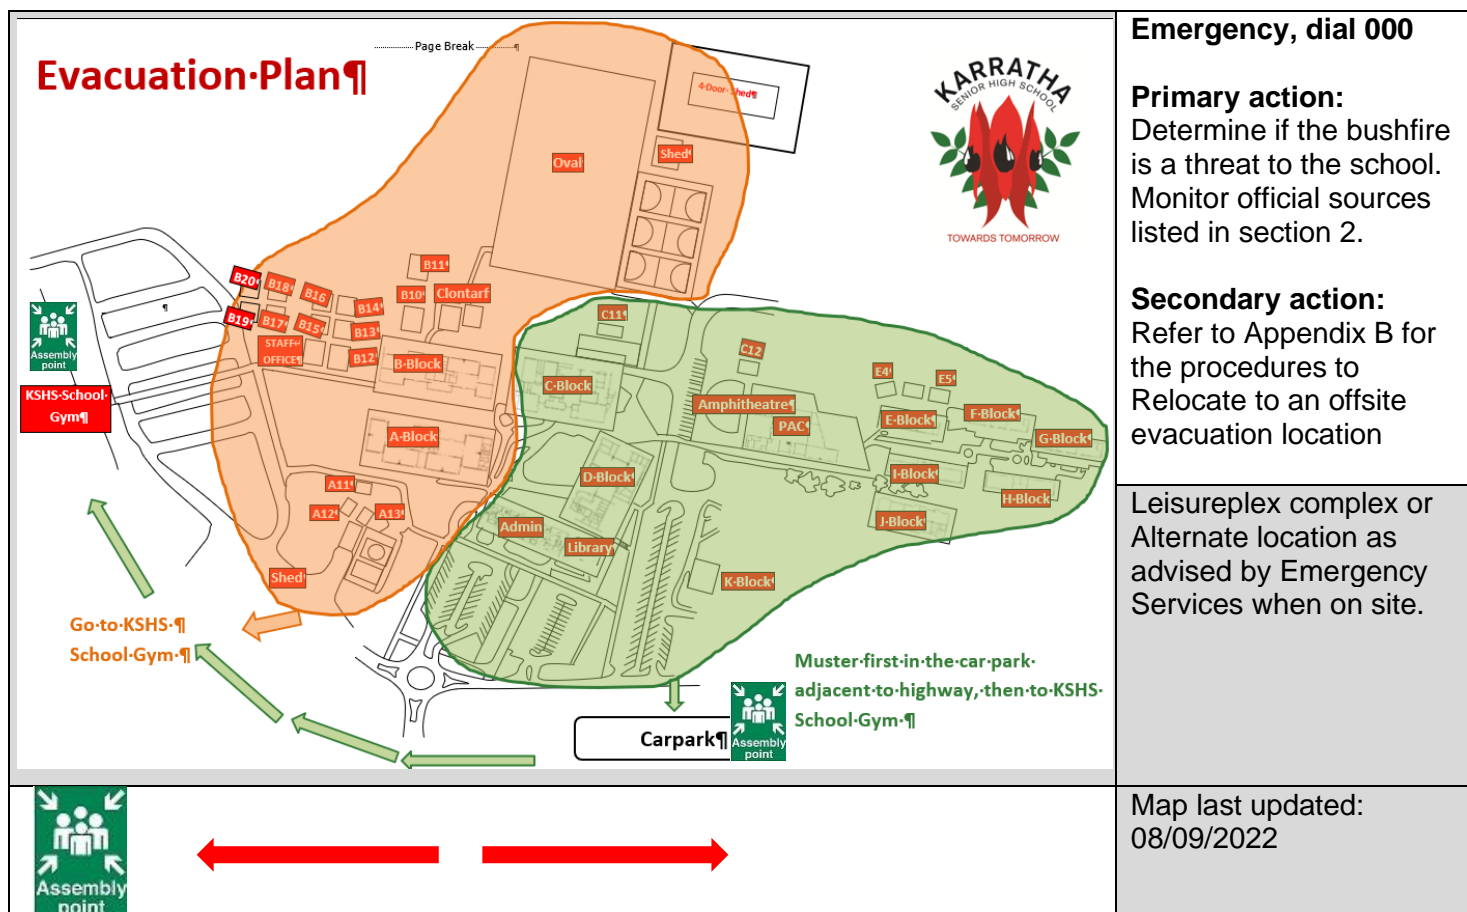

7.2 Offsite evacuation locations

Insert the school site map and make sure it is marked with:

- an assembly area
- 2 offsite evacuation locations. These locations cannot be a park, reserve, oval or other open space that may expose people to heat or other conditions.
- suitable routes to access the 2 locations.

Information to help select your offsite evacuation location and a sample map is available on Ikon in [Prepare for bushfire season at your school](#).

Appendix A - Bushfire warning stages

Emergency services communicate information in a number of ways during a bushfire event. Use these warnings to understand when your need to activate your bushfire procedures (refer to Appendix B).

Bushfire warning stages	
<p>ADVICE</p> 	<p>A fire has started, be aware and keep up to date.</p> <p>This is general information to keep principals informed and up to date with developments.</p> <p>Principals must:</p> <ul style="list-style-type: none"> • turn off evaporative air conditioners and ensure roof vents are closed. • check and patrol the school regularly for bushfire activity, paying particular attention to the evaporative air conditioners.
<p>WATCH AND ACT</p> 	<p>There is a possible threat to lives and property. Conditions are changing.</p> <p>Principals must prepare to:</p> <ul style="list-style-type: none"> • evacuate; or • move students, staff and visitors to their pre-determined onsite 'safer building location'. They must not be moved to an open area. <p>Evacuation orders are:</p> <ul style="list-style-type: none"> • issued by the Incident Controller or Emergency Services if required. • relayed via official sources such as Emergency WA. <p>It is vital that the principal:</p> <ul style="list-style-type: none"> • accesses bushfire information from official sources • makes an informed decision to stay onsite or evacuate offsite based on advice from the Incident Controller or Emergency Services.
<p>EMERGENCY</p> 	<p>A school is in danger as its area will be impacted by fire. Take immediate action to survive.</p> <p>The principal will be advised whether staff, students and visitors can leave the area or if they must shelter where they are as the fire burns through the area.</p> <p>A siren, called the State Emergency Warning Signal (SEWS), may accompany an emergency warning.</p> <p>Evacuation orders are:</p> <ul style="list-style-type: none"> • directed by the Incident Controller or Emergency Services. • relayed via official sources, such as Emergency WA.

	<p>It is vital that the principal:</p> <ul style="list-style-type: none"> • accesses bushfire information from official sources • makes an informed decision to stay onsite or evacuate offsite based on the advice.
AII CLEAR	<p>The danger has passed, and the fire is under control, but stay alert in case the situation changes.</p> <p>It may not be safe to return to school yet.</p>

Appendix B - Procedures in the event of a sudden bushfire

Relocate to onsite 'safer building location'

You may be instructed to relocate to your onsite 'safer building location(s)'. Do not use an open area such as a school oval or non-enclosed building.

Initiate this procedure if either of the following occurs:

- a 'Watch and Act' or 'Emergency Warning' alert is issued on the [Emergency WA](#) website (refer to Appendix A for details about the alerts)

Refer to the following Flow chart – Principal's response to fire behaviour index of 75 (extreme fire danger) or greater forecast.

Flow chart – Principal’s response to Fire Behaviour Index of 75 (Extreme Fire Danger Rating) or greater

Appendix D – After-hours or school holiday procedures

You may be instructed to keep your school closed during the school holidays or after hours during a bushfire event.

Initiate the below procedure if both of the following occur:

- A 'Watch and act' or 'Emergency warning' bushfire warning alert on the [Emergency WA](#) website is invoked (refer to the bushfire warnings listed in Appendix A)
AND
- Direction received from the Deputy Director General, Schools or the Manager, Security and Emergency Management. The director of education will relay the decision to you.

Follow these procedures if a bushfire starts during the school holidays or after hours.

Action	Notes (if required)
Remain in contact with your director of education and monitor official bushfire emergency information contact sources listed in section 2.1.	
Use your emergency response contact list to contact stakeholders (refer to section 2).	
Follow the bushfire response telephone call tree to communicate with the school community. Send parents and carers and staff emergency text message alerts to inform them of the school closure. To access sample SMS text, refer to Manage bushfire incident communications .	
Work with the director of education to seek alternative school and transport arrangements (if required).	
The Department's Media Unit and Incident Support Unit uses media outlets and Emergency WA to make public announcements of: <ul style="list-style-type: none"> • the school closure • temporary alternative accommodation. 	
The Department will consult the incident controller or emergency services and notify you when it is safe for the school to reopen. You will receive advice from the director of education or the Manager, Security and Emergency Management.	
Send parents, carers and staff emergency text message alerts to inform them when school can reopen.
