

## Important ICT information for Parents and Carers

Consent form included in this enrolment package needs to be completed.

### STUDENTS TO HAVE AN ONLINE SERVICES ACCOUNT

Our school provides access to Department of Education online services. These enhance the contemporary learning opportunities available to students and the range of teaching tools available to staff to deliver the Western Australian Curriculum. I am writing to seek approval for your child to be given access to these online services.

Department's online services currently provide students with access to:

- individual email and calendar accounts;
- the internet, with all reasonable care taken by central office and schools to monitor and control students' access to websites while at school;
- online teaching and learning services such as Connect, web-conferencing and digital resources;
- online file storage and sharing services; and
- these online services at locations other than school.

Please click on the link to complete the online form and view the full list of websites being used at Karratha Senior High School; <https://forms.office.com/r/WAzVmsGNhb>

Alternatively, you can sign the manual form below and return it to the front office.

I understand, that my child's personal information, as detailed in the link above, will be provided to these third party service providers for the purpose of my child's education and that this information may be stored outside of Australia.

I consent to my child's information being provided, if required, to each of the above service providers for the duration of his/her schooling at Karratha Senior High School.
